✉ yelejms@yahoo.com,  /omoyele-james  +2349097138779

As a dedicated professional with a Master's degree in Animal Nutrition and extensive experience in the nutrition industry, I bring a robust blend of scientific expertise and product management skills. My journey from working as a nutritionist at Spectra Farms Ltd to my current role as a product manager at Skretting has equipped me with a comprehensive understanding of the animal health and nutrition sector. I excel in strategic development, market analysis, and pricing strategy, ensuring that our products meet market demands and achieve financial targets. I am proficient in translating research data into actionable insights and creating effective marketing communication plans. My strong problem-solving abilities and commitment to integrity and teamwork make me a reliable and adaptable professional.
